President's Welcome

Dear India Fest Visitor,

On behalf of Nuv Yug's team, I welcome you to Nuv Yug India Fest 2024 in Raleigh. It is the 22nd Anniversary of Nuvyug India Fest. Over the years, Nuv Yug has built a brand that draws its strength from an unwavering commitment to process excellence and fairness to all participants – whether they are stage performers, teachers, parents, vendors, or volunteers. We accomplish it by utilizing a highly automated online platform that delivers a consistent experience for all.

Over 1,100 stage performers have registered to share the Nuv Yug stage this year performing in 110 unique items! It is a testimony of a vibrant cultural landscape in Raleigh. It also speaks highly of several well qualified teachers in the area, who are passionate about offering the young generation an opportunity to stay connected to Indian Cultural Arts.

Nuv Yug India Fest is only a “destination” to many months of “journey” in which participants, their parents and teachers follow a routine of extracurricular activity. You would agree that this journey has been a lot more significant than the destination itself. At Nuv Yug, we are proud of the role we play in every participant’s extracurricular life.

A part of Nuv Yug’s mission is to raise awareness of Indian Cultural Arts. Through India Fest, we strive to support this goal.

We hope that your entire family has a great time at Nuv Yug India Fest. Please feel free to contact our team at Nuv Yug's booth should you have questions.

Nuv Yug thanks all sponsors, volunteers, vendors, and above all, performers for their enthusiastic participation which makes this magnificent event possible.

Sincerely,

Ujjwal Srivastava
